To: All Parents and Guardians

From: The Office of the Head Teacher

Dear Parents and Guardians,

Re: End of Term I Circular & Term II 2026 Roadmap

We thank the Almighty for the successful completion of Term I. We have seen our "Sparks" grow in confidence and knowledge, and we are grateful for your partnership in this journey. As we break for a short rest, we are excited to share the progress of our pupils and the comprehensive roadmap for **Term II, 2026**.

1. Appreciation: Growth and Enrollment

We would like to extend our sincere gratitude to you for the continued trust you place in us. Our school family has grown significantly this term, and we thank you specifically for the numerous **referrals** and the high enrollment numbers. Your word-of-mouth recommendations are a testament to the community we are building together.

2. Message of Condolence

On a somber note, the Bright Sparks family stands in solidarity with those who lost their loved ones this term. We send our heartfelt condolences to our **Managing Director** and to the **Pupils and Parents** who experienced the loss of family members. Our thoughts and prayers remain with you for comfort and strength.

3. Academic Performance

This term, we have seen a commendable shift toward digital integration in our learning.

- **Progress Tracking:** Assessment results show steady improvement in literacy and numeracy across all levels.
- **Report Cards:** Detailed report cards have been issued today. We encourage you to sit with your child and review their performance, celebrating the "sparks" of excellence and setting goals for the areas that need more focus.
- **Digital Access:** We have created a Digital School Platform where you can also access real-time performance data, Conduct and attendance records on your phone. We shall be signing up parents as soon as possible.

4. Holiday Work and Projects

To ensure that the learning momentum is maintained during the break:

- **Work Booklets:** Every child has been provided with a holiday package. These exercises are designed to reinforce concepts taught in Term I.
- **Term II Project:** Pupils in P.3–P.7 have a research project related to their upcoming tours (e.g., the history of the Bunyoro Kitara Kingdom). This project will account for part of their beginning-of-term assessment.

5. Discipline and Safety

While we strive to provide a secure environment, we have noted a few challenges this term.

- **Incident Review:** We have experienced a few accidents involving pupils running in corridors and playing with sharp objects. We want to reassure you that in every instance, the school took the injured students to the **hospital immediately** for professional health care and followed up on their recovery closely.
- **Our Plea:** We urge parents to use this holiday to provide **moral guidance** and talk to your children about **personal safety**. Please supervise their play and screen time strictly. A disciplined child is a safe child, and we want every "Spark" to return to us healthy and ready to learn.
- **compliance with the school uniform policy.** Please ensure that by the start of Term II, every child has the correct, well-fitting uniform, including the designated sweaters and footwear.

6. Co-curricular Activities and Clubs

Our "Sparks" have been shining outside the classroom as well!

- **Sports Arena:** We are proud to announce that our football team emerged victorious in a thrilling match against St. James Junior School. This win has greatly boosted our school spirit.
- **Club Innovations:** Our clubs (including the Chess and ICT clubs) have been busy preparing for the upcoming exhibitions. These activities are essential for building teamwork and critical thinking.

Term II Schedule of Key Events

Date	Event / Milestone
May 25th, 2026	Beginning of Term II (Reporting Day)
May 27th, 2026	Eid Adhuha (Public Holiday)

8. School Fees and Requirements

To enable the school to operate smoothly:

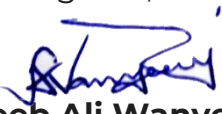

- **Fees:** All Term II fees should be cleared or significantly deposited before the reporting date of **May 25th, 2026**.
- **Tour Payments:** Specific costings for the July tours should be paid in time to enable flawless booking and preparations.

9. Transport and Van Services

- **Fuel Price Alert:** We would like to bring to your attention the recent and steady rise in national fuel prices.
- **Van Fee Adjustments:** While we strive to keep our services affordable, the escalating cost of fuel may necessitate a slight adjustment to the school van fees starting next term to ensure the continued safety and reliability of our transport system.
- **Official Communication:** We are monitoring the situation closely and will provide a definitive update regarding any specific fee changes before the commencement of Term II on May 25th, 2026

"We shall reach the shore"

Warm regards,

Muneeb Ali Wanyeni

Head Teacher
